		be able to make their own appointment booking using their unique link.			
6	Self-Isolation till Negative On-arrival COVID-19 PCR Result is Notified	<p>After taking the on-arrival COVID-19 PCR test at Changi Airport, travellers are to immediately take private transportation, taxi, or private hire car from the airport to their declared place of accommodation³.</p> <p>Travellers must isolate alone, or with household members who are vaccinated and have the same travel history, arrival date and self-isolation requirement, until their on-arrival test result is confirmed to be negative. If there are other occupants in the accommodation, without the same travel history, arrival date and self-isolation requirement, the traveller(s) must isolate in an individual room with an en-suite toilet. The test results will be out within 24 hours.</p> <p>After being notified of their negative on-arrival test results, travellers will be allowed to go about their activities in Singapore.</p>	√	√	√

³ The accommodation must be an individual room with an attached toilet at a residential (ie. HDB flat, condominium or landed property) or non-residential accommodation (i.e hotel or serviced apartment). Travellers may refer to the Singapore Hotel Association (SHA) website <https://sha.org.sg> for a list of hotels currently accepting visitors travelling to Singapore on the VTL scheme.
